CHAPTER ANNOUNCEMENT

AIA/CES Program No. 202: Technical Brown Bag Seminar

Acoustics - Decorative, Innovative & Sustainable Solutions

Technical Seminar by Andy Croney, AMHKIOA,
Director, Eurasia Architectural Products Limited.

Mr. Andy Croney will share his experiences in acoustic control measures for designed interior spaces and noise control environments. He will present green acoustic materials with high recycled content and sustainable 'total life' value.

Please join us in welcoming Mr. Andy Croney, *Director* of Eurasia Architectural Product Ltd.. Mr. Croney was educated in the U.K., trained in Germany and is a registered member of the Acoustical Society of America. He has been working in the field of interior acoustics since 1986, working in Asia since 1990, and relocated to Hong Kong in 1997. Mr Croney's work focuses on improving the aural environment without inhibiting the visual aesthetics of a space and utilizing environmentally responsible solutions.

Eurasia is a service provider in the field of acoustics and works in partnership with innovative, highly efficient and capable specialist manufacturers worldwide to creatively integrate acoustic performance into designs by providing highly comprehensive client support. Eurasia is a founding Corporate Affiliate member of AIA Hong Kong.
