

AIA Hong Kong Young Members Committee

Background of AIA Hong Kong

AIA Hong Kong, A Chapter of the **American Institute of Architects**, was established in 1997 to serve the professional interests of the growing number of AIA member architects practicing in Hong Kong, China, and the Asia Pacific region.

The objective of this Chapter is to uphold a high standard of design, education and professional practice among its members throughout the region, as well as to promote the importance of architecture, urban design and planning, and sustainable models of development in society.

Young Members Committee Objectives:

- Enhance the network between young professionals in architecture and related fields (architects, urban planning designers, landscape architects, interior designers, engineers and more)
- Encourage young professionals to be involved more in AIA Hong Kong professional and community activities.
- Bring the voice and ideas of young professionals to the AIA Hong Kong Executive Committee.
- Act as a bridge for knowledge exchange between the academic and professional realms. let new generations explore to the reality architectural world
- Encourage a new young force of contributions to both society and the environment.

Benefits:

- Invitations to join AIA Hong Kong events and receive all AIA Hong Kong Member benefits.
- Multiple opportunities to meet experts in the architectural and related fields.
- Participate in social events; both raising awareness within the community, & learning and applying professional knowledge, skills and insights to improve Hong Kong.

Requirements:

- Be an AIA member
- Age below 35 years old
- Either be a student studying architecture related subjects (including but not limited to Architecture, urban planning design, landscape design, and interior architecture)
- Or is a Young Professional working in Architecture of related fields.

Please contact us at info@aiahk.org or call 852 2882 6011.
