CHAPTER NEWS

Election to 2010 College of Fellows

It is with great pride that we announce that three members of the AIA Hong Kong Chapter have been elected to the *2010 College of Fellows of the American Institute of Architects*.

Mr. Nelson K. Chen, FAIA (Past President 1997-1998)
Mr. Grover C. Dear Jr., FAIA (Past President 2002 & 2006)
Mr. William O. Lim, FAIA (Past President 2003)

Fellowship is one of the highest honors the AIA can bestow upon a member. Elevation to Fellowship not only recognizes the achievements of the architect as an individual but also elevates before the public and the profession those architects who have made significant contributions to architecture and to society. Nelson, Grover and William have and continue to make great contributions to our chapter. None are more deserving of this recognition. Our warmest Congratulations!
