

2019 AIA Hong Kong Honors & Awards Call For Entries

The AIA Hong Kong Chapter's annual Honors & Awards Program recognizes excellence in architecture, interior design, urban design, and unbuilt projects undertaken by our Chapter's members. The program's purpose is to increase awareness of outstanding design and to honor the AIA member architects, clients, and consultants who work together to improve the built environment.

I. Eligibility

- 1 All Architect members of the Institute who are assigned to the **AIA Hong Kong Chapter** as their primary local component (i.e 'voting chapter') are eligible to submit entries in **ALL categories** for projects located **anywhere in the world**.
- 2 All Architect members who are non-local members of the **AIA Hong Kong Chapter** (i.e. those who are currently residing outside of the Chapter's assigned territory) in good standing are eligible to submit entries for projects in **ALL categories located ONLY within Hong Kong, China, and the Asia - Pacific Region (excluding Japan)**. (Please refer to AIA Hong Kong Chapter membership categories on <http://www.aiahk.org/membership-benefit>.)
- 3 All Associate members of the **AIA Hong Kong Chapter** in good standing are eligible to submit entries for projects located **anywhere in the world** for the **categories of Interior Architecture, Urban Design, and Unbuilt projects** .
- 4 Built work must have been completed *since* January 1, 2014. Unbuilt projects must have been initiated *after* January 1, 2014.
- 5 The AIA Hong Kong Chapter member submitting the project must have been an **AIA Hong Kong Chapter member in good standing at the time the design of the submitted project was undertaken**.
- 6 The AIA Hong Kong Chapter member submitting the project must be the primary author of the design submitted. When one Architect is not the sole author of the design, all other participants contributing substantially to the design must be given credit as part of the submission.
- 7 Projects designed by joint venture or associated architects should be submitted by one member only; credit for all design participants is to be noted in the Entry Form.
- 8 All entries that meet the requirements of their respective categories are eligible regardless of size, budget, style or building type.
- 9 Projects previously honored with an award from AIA National, regional, state or local chapter components are **NOT** eligible for submission nor shall they be submitted to more than one AIA component simultaneously.
- 10 Work by architects or design firms serving as jurors for current year awards are ineligible.
- 11 The AIA Hong Kong Chapter reserves the right to determine the eligibility of the submissions.
- 12 See ELIGIBILITY MATRIX attached as follows:

II. Criteria

1. The Jury shall comprise not less than three distinguished architects including at least two AIA member architects. All Jury decisions will be based solely on the materials submitted. No field trips will be taken. The results of the adjudication will be announced on November 11, 2019.
2. Entries will be judged on how successfully the design addresses individual project requirements, the successful integration of the solution, and its worthiness for an award in design excellence. The jury will award **AIA Honors Awards, AIA Merit Awards and AIA Sustainability Awards**.
3. Projects will be evaluated on one or more of the following criteria:
 - **DESIGN QUALITY** reflecting resolution of the program or idea; innovation, thoughtfulness, and technique.
 - **DESIGN RESOLUTION** of formal, functional and technical requirements.
 - **DESIGN ADVANCEMENT** through proposing new approaches to the development of architectural and/or urban form.
 - **SOCIAL ADVANCEMENT** demonstrating a commitment to social progress.
 - **TECHNICAL ADVANCEMENT** exploring new technologies and/or architectural applications.
 - **ENVIRONMENTAL ADVANCEMENT** demonstrating a commitment to environmentally sensitive design and energy/resources conservation.
 - **PRESERVATION / RESTORATION** demonstrating skill, sensitivity and thoughtfulness in preservation, restoration, or the adaptive re-use of existing buildings.
4. Project authorship will remain concealed throughout the jury deliberations. **If the authorship is revealed on any of the photos, plans, slides or narrative, the entry may be disqualified.**

III. Categories

Entries must be submitted according to one of the four categories listed below. The entry categories are used to clarify the different entry requirements for each group and to focus the jury on the broad and diverse areas of practice. Entry of the same project into multiple categories is NOT allowed.

Architecture

Eligible entries may be new construction, renovation or preservation/restoration projects. The project must be built work completed since January 1, 2014.

For multi-building projects, the Architect submitting the project (or portion thereof) shall offer detailed evidence of authorship of each portion of the project.

Interior Architecture

Eligible entries may be new construction, renovation or preservation/restoration projects. The projects must be built work completed since January 1, 2014.

Urban Design

Eligible entries may be urban design projects, planning programs, civic improvements, campus plans, environmental programs, or redevelopment projects. Projects should **not** be individual buildings. “Stage completed” urban design projects initiated after January 1, 2014, such as conceptual master plans, detailed master plans are acceptable. Incomplete projects or ongoing programs may be recognized if a significant portion has been completed or implemented by a local jurisdiction or authority since January 1, 2014.

Unbuilt

“Unbuilt” entries may be design projects in architecture, interiors or urban design that for whatever reason have not or will not be executed. This category may include competition entries or speculative work that need not be intended for construction. Unbuilt entries must have been initiated after January 1, 2014.

OPTION: Sustainability in Design

This award is offered as a sub-category to the submissions made under the FOUR main categories. This is for an optional/additional submission that can be made along with your main submission for one of the categories above. Refer to submission requirements for additional information in this category.

This award is intended to recognize exemplary sustainable design in the planning and execution of the project submitted. All strategies for reduced environmental impact should be considered.

Projects will be judged on how successfully they have integrated sustainability and energy efficient strategies into their design.

IV. Submission

For each project entry, the submittal material should be sufficient for the jury to assess the design intent. Entries must be submitted in the manner specified below. With the exception of the entry form, all material submitted shall be anonymous. **No company names, logos, or other identifying information may appear on any submission material.**

DIGITAL PRESENTATION BOARDS: A maximum of four (4) A2 boards (420mm W. x 594mm H.); vertical format

- Site Plan (for Urban Design / Architecture (built or unbuilt) submissions)
- Photos of the project (exterior and interior views for Architecture submissions)
- Floor Plans, Elevations and Sections (for all categories); clearly identified for jury reference.
- Information may span across multiple boards to form a continuous **horizontal** exhibition panel (1680mm W. [for four boards] x 594mm H.). Boards should be numbered in desired sequence from left to right.

USB devices in PC format are acceptable (Macintosh format is NOT acceptable) containing the following:

- Digital copies of the presentation boards as high resolution PDF files (30Mb. max. file size per board) and one composite image with all boards 'butted' together in horizontal sequence layout.
- Six (6) images or photos of the project with minimum resolution of 300 dpi in JPG format (8Mb. max. file size per image).
- Copy of the completed Entry Form and Written Description. Note: Please provide Written Description in editable format (MS Word or readable PDF).
- One PowerPoint presentation with a maximum of 8 slides. PowerPoint presentation should be submitted in both PPT and PDF file formats with a maximum file size of 8Mb. PowerPoint presentations shall not contain any animation. Please note that PowerPoint presentations **WILL** be provided to jurors for adjudication.
- **Each external device can contain multiple submissions. Company name must be stated on the device.**

ELECTRONIC SUBMISSION: As usual, no physical boards are required, only digital files. In addition to forwarding a USB containing your submission, you will also be required to upload the material to Dropbox, Google Drive or a similar web-based platform. After you have done so, please inform AIA Hong Kong (info@aiahk.org - Subject Header: **2019 H&A Submission Your Company Name**) of the download link.

SUSTAINABILITY IN DESIGN SUBMISSION CRITERIA: In addition to the submission requirements outlined above, if an applicant elects to also submit his/her project in this category; the following additional submission material is required:

- Each entry for the Sustainability in Design category requires a separate entry fee (details below).
- A maximum of two (2) additional A2 boards may be submitted or shared to illustrate the project's specific sustainability initiatives.
- A two (2) page A4 summary describing in detail the environmental and sustainability strategies used in this project.
- Two (2) additional PowerPoint slides regarding sustainability shall be added to the project's standard 8-slide PowerPoint presentation (allowing for a total of 10 slides).
- The above four items shall be included in electronic format on the USB device.

FEE FOR SUBMISSION

- Each entry for Architecture, Interior Architecture, Urban Design and Unbuilt Projects requires a separate submission fee of **HK\$3,900 per entry**.
- Entries for the Sustainability in Design award require an additional fee of **HK\$1,600 per entry**.
- Multiple entries in all categories will be accepted and one cheque / payment may be enclosed for all entries.
- Please make submission fee payment by cheque in Hong Kong Dollars to "AIA Hong Kong"; or by wire transfer. Please contact AIA Hong Kong for wire transfer information at info@aiahk.org or by phone at (852) 2882 6011.

ENTRY FORM AND WRITTEN DESCRIPTION

- The attached entry form must be completed for each project and signed by the submitting AIA Hong Kong Chapter member.
- Complete the attached **Written Description Form**. Written description is to be approximately **250 words or less**. The description should clearly explain the design intent, objectives of the architect and/or the client and how the project addresses those objectives. This description will be provided to jury members while they are reviewing the project.
