Future of Urban Parks: Principles, Prototypes and Policy

「未·共研社」公開講座

城市公園的未來：原則，原型與政策

DESIGN TRUST FUTURES STUDIO is pleased to present the "Future of Urban Parks", a public lecture featuring internationally renowned architect Richard Hassell, co-founder of WOHA, in dialogue with Hong Kong-based architects and sustainability experts. During the lecture, Hassell will explore the relationship between architecture, urbanism and micro-parks, and how we can improve the quality of life within high density environments.
